

Create a cardboard shelter at Harrow School

On Saturday 28th April 2018 we will be holding our first ever fundraising Big Sleep Out and we would love you to join us. Our partner in this is historic Harrow School, part of whose leafy 300-acre site will be turned into a temporary cardboard city to give our supporters a tiny glimpse into the discomfort of being homeless. After an evening of entertainment and a hot meal, you will bed down for the night in the cardboard shelter you have created out in the fields – sleep not guaranteed!

For this, our first Big Sleep Out, we have set ourselves the ambitious target of raising £50,000 – enough to maintain our regular weekly drop-ins at various venues across Harrow and fund an additional support worker for a whole year to help people off the streets and turn their lives around. We are looking for individuals or teams to join us on the night, but you need to register as soon as possible, as places are strictly limited.

We will support your fundraising efforts through the provision of information, photos and stories of those whose lives have been changed by FirmFoundation; the creation of your own fundraising page within our website; and speakers for any fundraising events you put on in the run-up to the Big Sleep Out to help you achieve your target.

To apply go to our website at www.firmfoundation.org.uk and fill in the application form. The deadline for applications is Monday 26th March 2018, and you will be notified within one week whether you have been successful in gaining a place.

The Royal Charter granted to Harrow School by Queen Elizabeth I includes reference to its pupils giving “a very good example to all others” – will you join them in helping us to do something positive for the homeless in Harrow?

Yours sincerely

Julian Saunders
Charity Manager
